Otherwise, go to BPR_END.

BPR_Q19
Is that by birth or by naturalization?

INTERVIEWER: Canada, by birth refers to persons born in Canada, unless - at the time of their birth-one or both parents were government representatives of another country (for example, in diplomatic service) and neither parent was a Canadian citizen or a landed immigrant.

Persons who were born outside Canada are also Canadian by birth if, at the time of their birth, one or both parents were Canadian citizens.

"Canada, by naturalization", refers to the process by which an immigrant is granted citizenship of Canada, under the Citizenship Act.

1. By birth
2. By naturalization

What is your religion?

Specify one denomination or religion only, even if you are not currently a practicing member of that group.

INTERVIEWER: For infants or children, religion refers to the specific religious group, denomination, or system of beliefs in which they will be raised, if any.

Respondent does not have to be practicing.

If respondent answers “Catholic”, ask “by Catholic do you mean Roman Catholic, Ukrainian Catholic or something else?”

If respondent answers Christian, Protestant or Orthodox, ask “Which denomination or church?” If no specific denomination or church can be given, record original response. If respondent provides more than one response, ask about the religion which is most important to them or which they practice most often.

Start typing the name of the religion to activate the search function. Enter “Other - Specify” if the name of the religion is not part of the list. If no religion, enter “No religion”.
